Today's Game

Missourians to Try FHS Tigers

This evening's football contest brings together the Bearcats from Northwest Missouri State College and the Fort Hays State College Tigers.

NWMSOC comes in looking for its first win in three outings. The Bearcats found the going tough against Arkansas A & M and William Jewell College and will attempt to find the secret to winning tonight when they face the Tigers.

FHS takes its 1-2 season mark into the fray and will try to pick up its 10th win in the 16-game series. NWMSOC has won five games from the Tigers and one contest ended in a tie. The last meeting between the two institutions came off in 1966 and the Tigers won it 29-7 at Maryville.

NWMSOC lost some of its top "Cats" this season but returned a host of good, experienced football players. Some people to watch are ends Leon Muff and Barry Monaghan, and quarterback Steve Schottel.

Many Tiger and old CIC football fans will remember Bearcat Coach Ivan Schottel. He formerly coached the St. Benedict's Ravens to five CIC titles during a 10-year stay.

In Tigerland Coach Wayne McConnell and staff should have the Bengals ready for the Bearcat invasion. McConnell said his charges played their best game of the year though losing to a fine Colorado State College football team. Several lineup changes were evident in that contest and the results were encouraging. Some of the injuries that plagued FHS last week should be healed and hopefully the hosts will be able to go at "almost full strength."

Five games remain on the Tiger slate this fall including Washburn University, Oct. 12; Emporia State, Oct. 19; Southern Colorado State, Oct. 26; Pittsburg State, Nov. 2; and Omaha University, Nov. 9. Home games are with Washburn University and Pittsburg State.

Next Week . . .

Fort Hays State opens its final CIC campaign next week against much-improved Washburn University in a 2 p.m. Homecoming contest.

The Tigers will be shooting for their fourth straight win over the visiting Ichabods from Topeka. FHS pounded Washburn 35-0 last season in a contest on the road.

However, Washburn leads the traditional rivalry between the two schools, 21 to nine, including three ties. The FHS-Washburn series opened in 1928 with a 6-6 tie.

Washburn opened this season with a surprising 26-20 victory over Kearney (Neb.) State College at Topeka. Kearney posted an unblemished 9-0 mark last season while the Ichabods clipped to an 0-9 record, including a 55-6 loss to Kearney.

The Ichabods have dropped their last two contests, 34-0 to a strong Central Missouri State squad and 10-7 to Southern Colorado State College last Saturday.

In last year's contest at Topeka, the Tigers ended a three-game losing skein as quarterback Leo Hayden tied a school record by tossing four touchdown passes. Dennis Spratt was on the receiving end of three of the scoring aeriels while Ken Caywood was involved in the other scoring play.

KAYS RADIO 1400

The **KAYS SPORTS BOOSTER CLUB**, a group of sports-minded local businessmen, brings you hundreds of sports broadcasts each year . . . including:

A Look at the Newly Created RMAC

Next year Fort Hays State joins the new Rocky Mountain Athletic Conference with CIC members Omaha University, Emporia State and Pittsburg State. Only Washburn University has elected not to join the new conference.

The first athletic conference to be organized in Colorado was the Colorado Football Association in 1889.

Its members included two teams as well as teams representing colleges and universities. There were no eligibility rules and town men played on college teams and, in turn, college men played on the town teams whenever it became necessary to "spike up" one of the teams.

In order to tighten up eligibility requirements, the Colorado Intercollegiate Athletic Association was organized in 1893 with Colorado College, Colorado School of Mines, Colorado University, Colorado Agricultural College (now Colorado State University) and Denver University as members.

The athletic boards of the colleges at the time of the conference's organization were composed of students, and student-managers for each sport were responsible for the administrative and financial aspects of athletics. After 13 years of stormy existence filled with many controversies, the Colorado Intercollegiate Athletic Association folded in 1905.

Between 1905 and 1909 there was no athletic conference to guide the Colorado institutions, the athletic schedules were arranged between student team-managers representing the competing schools.

It became customary to write the eligibility rules governing the participants, as well as the financial arrangements, into each game contract. As a result, uniform eligibility rules were not always observed.

Some of the schools celebrated the absence of regulation by instituting well-organized recruiting and subsidization programs. Cries of professionalism, camps raiding and low eligibility standards led the administrators of the Colorado schools to consider the formation of a new conference to be controlled by the faculties rather than the students. The idea behind faculty control was that the practice of recruiting and subsidization of athletics would be eliminated and standards of admission and eligibility would be elevated.

Members of the newly expanded Rocky Mountain Athletic Conference will include Emporia State, Omaha University, Pittsburg State, Southern Colorado, Colorado State College and FHS in the Plains Division. Mountain Division members will include Fort Lewis at Durango, Colorado School of Mines at Golden, Adams State at Alamosa, Western Colorado at Gunnison, Regis College at Denver, College of Southern Utah at Cedar City, Westminster College at Salt Lake City, New Mexico Highlands University at Las Vegas and Western New Mexico University at Silver City.

The 1968 Fort Hays State Coaching Staff

FORT HAYS STATE'S coaching staff for the 1968 season includes, front row, left to right, Terry Claycamp and Phil King, senior assistants; Tony Leiker, graduate assistant; and Jesse Kennis, senior assistant. Back row, left to right, Ralph Johnson, head athletic trainer; Art Ridgway, defensive coach; Wayne McConnell, head coach; and Ed McNeil, line coach and chief scout.

Football Action from the Colorado State Game

PUTTING THE STOPS TO Colorado State College's Ben Pyatt is Tiger fullback Rich Dreiling. Pyatt intercepted a John Covington pass and was headed goalward when Dreiling banged him out of bounds. This action came last Saturday during the Tigers' 14-7 loss to the Bears from CSC. Tonight the Tigers will receive a stiff challenge from the Northwest Missouri State College Bearcats. The last time these two squads met FHS came out on the long end of a 29-7 count.

Coach McConnell's Information Sheet

Head football coach Wayne J. McConnell is starting his 13th year at Fort Hays State this fall.

At FHS, his teams have logged a record of 47 wins, 58 losses and four ties. Last year's Tigers were 3-5 on the campaign. His 1957, 1958 and 1961 teams finished right on the .500 mark, the record in 1962 was 6-2-1, in 1964 was 5-4, in 1965-6-3 and in 1966, a highly successful 7-2.

Prior to coming to FHS, he coached six years at College of Emporia where his 1951, 1953, 1954 and 1955 teams were undefeated in regular season action. In 1953, McConnell was named Little All-American Coach of the Year by the Rockne Foundation.

He also coached high school at Effingham (three years), Gaylord (one year), Downs (two years) and Manhattan (one year) after his service stint. His 24-year record stands at 113 victories, 74 losses and seven ties.

Mac earned a bachelor's degree at Washburn University in 1934 and was a social welfare worker in Topeka until he joined the Army in 1941.

Wayne earned his Master's at Emporia State in 1954 and is an associate professor of physical education on the FHS faculty.

How you can "join" America's Olympic Team

You can be there at the Mexico City Olympic Games as a welcome contributor to the Olympic Fund. And be proud of it!

Training, transportation, housing and equipping America's top competitors in the Olympic Games is a major financial task. Because the United States Team is maintained almost entirely by public subscription, without government subsidy of any sort, the interest and support of every American is needed to reach the \$3,500,000 goal.

If you haven't already done so, "join" in the Olympic movement now. Fill out the attached coupon, with your check for \$5.00 or more and mail — today. In acknowledgment, the United States Olympic Committee will send you the handsome men's tie bar (by Danté) illustrated below. Or, if you prefer, you may select a women's bar pin with safety catch of the same design. For a \$10.00 contribution, you will receive two gifts of your choice.

Little Known Facts About the Fort Hays State Tigers

Fort Hays State's football squad is comprised of more than 50 gridders, consequently there are more than 50 story possibilities in the Tiger camp. The following anecdotes were gleaned from information sheets filled out by the Tigers.

Eleven Tigers are married. Included are tackles Jim Powell and Dick Barta; end Terry Enright; halfbacks Carl Helm, Steve Seirer and Roger Faulkender; guard Ken Burkhart; linebacker Paul Simmons; fullback Rich Dreiling; and quarterbacks Kurt Siemers and Jack Georgeson.

Barta and Scotty Black are service veterans just now beginning their collegiate football careers. Barta, however, played service football.

Dreiling and Leonard Prosser are members of Army Reserve units.

Jim Jones, fullback and defensive end, was a two-time Junior College All-American while a griddler at Cowley County JuCo.

Erick Erickson and Dreiling both had brothers (Jim Erickson and Ken Dreiling) who were outstanding Tiger gridders.

Linebacker Tim Dierberger's brother Stan is a gymnast at FHS.

Tackle Ron Walker and tight end Larry McCants are both former state wrestling champs.

Steve Billinger's dad, Al and brother Alan were both outstanding athletes at FHS. Dad was an all-around per-

former (football, basketball and track) and Alan specialized in basketball where he lettered three times.

Enright's dad, Harry, played for the Tigers in the late 1930's and Terry's cousin, Bernie Blevins was an All-conference and honorable mention NAIA All-American tackle at FHS just a few years ago.

Raph Arias is a native of Colombia, South America. He lives with the Clyde Benefiels and attended Hays High School. He said he picked up his soccer-style kicking from his native land.

Defensive end Jon Mastin played his high school football at Campus High in Wichita. During his junior and senior years the Colts lost 16 consecutive football games. Maybe that's why Jon hits people so hard.

The average age of a Tiger football player is almost 20. Jones commands the most respect since he is 24 years young. Several Bengals are 17.

This group of Tiger footballers earned nearly 175 high school football letters. More than half of them won all-league honors at least once, some two or three times. A dozen Tiger gridders won All-State honors from honorable-mention to first- and second-team nominations.

And to top it all off the Tiger coaching staff, Wayne McConnell, Ed McNeil and Art Ridgway (the head coaches) have a combined total of 48 years of football coaching experience.

Break your beard in right.

Right now your beard is in the formative stage.

You can shave it with a razor blade like your father does. And each time you do your beard will grow back a little more difficult. Until one day shaving's no longer a chore. It's an agony.

Look no further than your father's face for proof.

But fortunately, you're catching your beard at an early age. You can break it in to be just as shaveable 10 and 20 years from now as it is today.

With a REMINGTON® shaver:

And if you think the kind of shave we're selling won't be close enough for you, you're wrong.

Our new blades are sharper than anything that's been in an electric shaver before. And there's a dial that lets you adjust them for your skin and beard.

What's more, you can dial a REMINGTON electric shaver into a sideburn trimmer.

Admittedly, it costs more to buy our electric shaver than a razor and some blades.

But it's a good investment.

These next few years will determine how you and your beard will get along for the rest of your lives. †

Stadium Information

Fort Hays State is happy to assist Tiger football fans in any way possible. We hope you will feel free to seek our assistance in any problems you might encounter at FHS games.

Telephone: The only telephone available is in the press box atop the east stadium. It is for emergency use only.

Rest Rooms: Located under both the east stands and the west stands. Your help in keeping these facilities clean will be greatly appreciated.

Emergency Announcements: If absolutely necessary, announcements will be made by the public address announcer in the press box atop the east stadium.

Lost and Found: Lost and found articles will be handled in the press box, or contact the sports information service (625-5611, Ext. 206) the following week.

Concessions: Concessions are sold under both the east stands and the west stands.

K-Club sells—Pop, Cigars
WRA sells—Hot Dogs, Coffee
Seventh Cavalry sells—Popcorn

LEWIS FIELD STADIUM

Built in 1936 Seats 7,000

Pressbox Anecdotes...

Have you ever wondered what goes on in the two FHS press boxes? The east box is a four-area affair for the statistics crews, public address system, clock and scoreboard crew, radio stations and the President's box.

On the west side the wooden box is used by FHS filming crews, visiting scouts, Tiger football coaches, and often KFHS campus radio groups.

There is space enough in the east box for three or four radio stations and there are usually about 20 persons doing one job or another during the course of a Tiger football game.

The FHS statistics crew provides a play-by-play and complete game statistics for visiting press, the radio stations, the public address, the Tiger coaching staff and the visiting coaching staff.

The view from the press box is probably the best in the stadium but usually those working there are so busily engaged in their respective jobs that the view can hardly be appreciated.

Meet A Tough Tiger

TWO-TIME ALL-CONFERENCE defensive end Jon Mastin will be a major factor in the outcome of the Fort Hays State Tiger football season this fall. The 5-10, 190-pound junior played high school football at Campus in Wichita. Jon is probably the toughest defensive end ever to wear the Black and Gold at FHS. He punishes people when he tackles and is extremely hard to block.

Maryville, Home of the Bearcats

Nestled in the fertile farmlands of the Missouri River valley in northwestern Missouri is Maryville, a pleasant community of 8,000 population and the home of Northwest Missouri State College.

Founded in 1905 as the Northwest Normal School, NWMSC is a co-educational state-supported liberal arts and teacher education institution. It has seen tremendous growth in enrollment, physical plant and facilities and curriculum over the past 10 years.

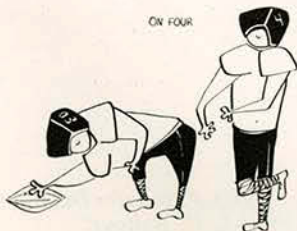

Most of the College's 30-plus buildings are less than 10 years old, attractively arranged on the sprawling 360-acre campus that abounds with more than 100 varieties of trees.

The student body, which has more than doubled in size since 1960, today numbers nearly 4,500 students enrolled in undergraduate and graduate programs at the college.

NWMSC offers majors in 40 areas of undergraduate concentration under any of six different bachelor's degree programs. The college also offers graduate work leading to the master's degree in several fields, including education, the area of training for which it is most widely known.

The college, directed by President Robert P. Foster, prides itself in a modern philosophy and progressive outlook; believing that a student should receive personal attention and not be regarded as an IBM number. Also contributing to the success of the growth of the college is the warm, friendly community atmosphere and tremendous number of extracurricular activities available to the student.

NWMSC is still growing, and the college philosophy is growing to keep pace with the latest trends and improvements in education—to provide the best possible framework in which today's youth can secure the academic, cultural and social values needed to be a worthwhile member of society.

We're proud...

that pHisoHex® has been selected as the antibacterial wash to be used by the U.S. Team for the 1968 Olympic Games!

A *winning athlete* takes special care of his skin. Above all, he protects it against bacteria that can cause infections and lead to missed practice sessions and games.

If you've ever tried to play with an infected blister on your heel or an abscess on your finger, then you know the role of healthy skin in sports. And that's why pHisoHex is an important part of an athlete's daily health routine.

pHisoHex is America's leading liquid antibacterial skin cleanser in homes and in hospitals. Used regularly in place of soap, pHisoHex produces a superclean skin *and* builds up an invisible antibacterial film of hexa-

chlorophene to protect your skin against germs between washings.

And if you have problem skin, pHisoHex is often valuable. The antibacterial film it leaves on your face will ward off blemish-infecting bacteria. pHisoHex also helps to soften and wash away blackheads.

Use pHisoHex, the skin cleanser of winning athletes.

Made by Winthrop Laboratories, 90 Park Avenue, New York, N.Y. 10016. Available in drugstores in 5 oz. and 16 oz. plastic squeeze bottles.
